

I'll never forget Tim's bright face and enthusiasm when
I first met him at fish camp.

***His excitement to be an Aggie inspired
our entire camp.***

"Help my buddies first."

. . . uttered Tim as he lay on the fallen stack.

He then directed rescue workers to five others whom
he could see before allowing them to free him.

Eagle Scout Tim Kerlee was posthumously granted
Boy Scout's highest award, the MEDAL OF MERIT, for his
heroic actions.

There is no grander sight in all the world
than that of

***a person fired with a great purpose,
dominated by the love of Christ.
That was Tim.***

He left us that legacy. Seize the day!
Make your life extraordinary!

***He was always willing
to help anyone.***

Whether he was teaching someone how to
swing dance, tutoring someone in calculus, or organizing a
campus clean-up, he'd always do it with a smile and never a
complaint. He was a joy to be around
and could make friends with anyone he met.

I'll never forget his encouragement, his fun-loving attitude,
and the courage
he displayed throughout his life.

Tim was never afraid to be himself.

He provided me with an example of how to live.
